

# Summer 2025 Produce Planner

## Summer Menus Start Here!

Just in time for summer menu planning, we're excited to share our 2025 Summer Produce Planner—your go-to guide for what's fresh, when it's expected, and where it's coming from. It's designed to help you get ahead of the season and make the most of peak summer ingredients. Based on previous years' harvest timelines and the latest updates from our farm partners, we've pulled together a curated list of standout summer produce to keep on your radar. Please note: timelines are estimates, and as always, Mother Nature has the final say—so be sure to check in with your Bondi rep before finalizing those menus!
